INFORMATION FOR AMATEUR PERFORMANCE

If you wish to stage one of our plays please fill in and return our questionnaire. Before issuing permission we have to check that your planned performances will not collide with performances of professional theatres in the same region. Should that not be the case you will receive a contract and invoice for the indicated time and places of performance. The obligatory royalty is 6% of your revenue but in any case, minimum Euro 60.00 per performance (for staging *Die Dreigroschenoper* it is 8% with a minimum of Euro 74.00 per performance). If the play you wish to present is bound to a specific translation represented by Suhrkamp Verlag the royalty is 10% of your revenue, with a minimum of Euro 85.00 per performance. If the performance is free of charge you will have to pay the minimum royalty of Euro 60.00 respectively Euro 74.00 for *Die Dreigroschenoper* and Euro 85.00 for a translation represented by Suhrkamp Verlag (this concerns English language translations of works by Peter Handke and Max Frisch).
