

The image shows the interior of a large, circular dome structure. At the top, there is a large, bright circular skylight surrounded by concentric rings of stone or concrete blocks. The walls of the dome are also made of similar blocks, creating a textured, layered appearance. The floor is covered in a thick layer of green moss, and there are several rectangular concrete basins or platforms arranged in a circular pattern. The overall atmosphere is one of a well-preserved but somewhat neglected architectural space.
